FOR IMMEDIATE RELEASE

DRiWATER® MADE THE LIST

Named #2 on www.thetop10gifts.com

SANTA ROSA, CA – November 21, 2005 – DriWater, Inc., the worldwide manufacturer of DRiWATER®, time-release water has just been named the #2 gift for the 2005 Holiday season. The website is www.thetop10gifts.com. Other hottest gifts for the season were the iPod nano, American Red Cross, Spafinder.com and other great products. The site has links so you can just click to their homepages and buy from any of the sites.

DRiWATER® offers the convenience this has not been available for home plant care. Water while you're at home or away for 30-90 days. Take that much needed vacation! DRiWATER® also waters your poinsettias so you don't have to. Apply DRiWATER at Thanksgiving and water just once during the holidays. Makes a great stocking stuffer for travelers, outdoor enthusiasts, working professionals and anyone on your list.

The product is 100% natural and non-toxic. Just water your plant, place DRiWATER® on the soil and forget about it. Your plants will be healthy and happy, and you'll have more time to spend with your family and friends.

DriWater, Inc. has developed the commercial and retail market for DRiWATER® in the United States and is working in more than 30 countries around the world. DRiWATER® is turning deserts into forests, growing food where it was never possible, and is conserving one of Earth's most precious resources – water.
